CCPA Purchasing Partners, LLC (CCPAPP) is an industry leading group purchasing organization that leverages the collective purchasing power of multiple physician practices to negotiate better prices with suppliers. By joining CCPAPP, independent practices can access discounted rates on vaccines, medical supplies, equipment, pharmaceuticals, and other essential items, resulting in cost savings.

Through CCPAPP's extensive networks and partnerships with various suppliers, independent practices have access to a wider range of products and services. CCPAPP streamlines procurement which helps reduce administrative burdens and allows physicians and staff to focus on patient care rather than managing purchasing logistics.

Why join CCPAPP?

Free

No cost to join with no monthly or annual dues.

Revenue Sharing

CCPAPP **shares our revenue** with members. All eligible members receive an annual administrative award payment based on member purchases.

Service

Knowledgeable and **responsive** staff members who provide exceptional customer service and are committed to supporting your practice.

Governed by a
